***We Deliver Solutions!***

**Robert Hervey, CPA  
Senior Management Consultant**

Robert is based in Raleigh, North Carolina and has more than 10 years of progressive accounting and finance experience with extensive experience in merger and acquisition due diligence and advisory services. He served as Manager of Transaction Advisory Groups at Dixon Hughes, PLLC and Cherry, Bekaert & Holland, LLP. Robert specializes in transaction due diligence, mergers & acquisitions, confidential financing and transaction memorandums and interim financial, systems and management services.

His industry experience includes engineering, manufacturing, technology, construction, and government contracting within the base operations, training and logistics lines of business.

Robert focuses his practice in providing consulting, financial and strategic advisory services in the areas of transaction services including due diligence, financial modeling, data room preparation and post transaction transition and integration with proven experience in buy-side and sell-side transaction services for both financial and strategic buyers in the middle market; ranging from \$5 to \$150 million in transaction value.

Robert also has prepared confidential financing memorandums, built quantitative forecasts and projections, analyzed existing backlogs, reconstructed incomplete backlogs, performed extensive contract and risk analysis and performed various financial and strategic planning project services.

Robert received his bachelor of science in Finance from Fairfield University and is a Certified Public Accountant as issued by the State of New York.
